On Saturday, March 17, 2018 the Minuteman Boston Terrier Club together with the Boston Terrier Club of CT will be offering a rabies and micro-chip clinic after conformation judging. Once again, Minuteman member Dr. Maryanne Mac, has graciously offered to provide her services with all proceeds being donated to the host clubs. For the second year, Minuteman member, Cailin Monahan will generously be donating all microchips. Thank you to all exhibitors and club members who helped to make these clinics a success last year. With your continued support we look forward to being able to provide these services on an annual basis.

Rabies Clinic: \$15.00 per dog

Microchips: \$20.00 per dog

Please email Dr. Mac at sidestreet.com to make your reservation. Advance notices are requested to assure there are ample supplies available at the show.
